I think that sounds like a good plan.

Here is my schedule:

Tomorrow (Friday): bad on my end due to an existing commitment.
Monday: I'm totally flexible and have open time, but I need to close down by about 5:30 PM EST due to a class that I take on Monday nights.
Tuesday: I'm totally flexible and have availability for whenever (no mandatory close-down time)

Let me know what works for everyone else, and I can send out a meeting invite.

E

Perhaps we should schedule a call to discuss once we've digested Eleanor's analysis (a big thank you!) to discuss our next steps, preferably before the call with AF on weds to discuss the new wells. How about tomorrow afternoon, or Monday or Tuesday?

I've only had a chance to read the bullets on page 10 thus far, but I would like to thank Eleanor for reviewing the report and providing the comments
